

Cotton Farm Bed & Breakfast

Guest Information

Visually impaired guests

Please ask if you would like a copy of this in large print.

Arrival and departure times

Normal times are as below, but if you would like to arrive or depart outside of these, it's not a problem – just let us know when you book.

- Arrival – after 4.30pm
- Departure – before 10.30am

Pets

We accept dogs to stay, although they are not allowed in the guests' part of the farmhouse. Instead, they will be kennelled overnight in the downstairs cloakroom, where they will be quite safe and happy.

(We do have our own dog, who is very friendly but who is not allowed in any guest areas of the house.)

Places to eat and drink

There are several good pubs in the area, although unfortunately our local pub has recently closed for refurbishment. Pubs we would recommend are:

- George & Dragon, Tarvin
- Grosvenor Arms, Aldford

Motorbikes and bicycles

We have secure storage for these, and facilities for washing bikes if required. We can also dry your clothes if you experience inclement weather during the day.

Trailers

We have a large yard with plenty of space for turning and parking trailers.

Taxis and buses

We can arrange taxis for you with a good local company. Please remember to give us reasonable notice if you need a taxi.

There is a bus service from Christleton and Waverton into Chester, but there is no bus service running close to the farm.

Chester has a good 'park & ride' scheme. Parking in the city centre is quite expensive and sometimes hard to find, so this makes a good alternative. The closest car parks for this are at Chester Zoo (off the A41) and at Boughton Heath (by the A51 / A55 junction).

Places of worship

The nearest churches are:

- C of E – St James', Christleton
- Roman Catholic – St Columba, Hoole

Telecoms

All the mobile networks have good reception at the farm.

We are in the process of installing free broadband for guests.

Emergencies

We hope that your stay at Cotton Farm will be completely trouble-free, but we have details of local doctors, dentists and opticians if you have any problems.

Accessibility

There is plenty of parking directly outside the farmhouse. This is on the farm, so there is no traffic. The surface is hard and good quality. There is a garden gate leading onto a short path to the front porch. There is one small step up into the front door, which is wide and leads into the entrance hall.

The bedrooms are all on the 1st floor, which is reached by a staircase (2 flights at right angles - 5 steps with a hand rail on the left hand side, followed by 8 steps with a hand rail on the right hand side, with a transition of 2 steps in between). All the bedrooms have large en suite bathrooms with bath and shower over the bath.

Breakfast is served in the dining room, which is on the ground floor.

Cotton Farm cannot be directly reached by public transport, but taxis run from outside the railway station in Chester, and we are happy to arrange a taxi for guests.
